FOR IMMEDIATE RELEASE

Recycling fundraiser helps beat the budget crunch at Forte Drum & Bugle Corps

Students/members of Forte Drum & Bugle Corps have been earning money by participating in the FundingFactory Recycling Program. They collect empty laser and inkjet cartridges and used cell phones from the community and send the waste products to FundingFactory in exchange for their choice of technology and recreation products, or even cash.

Companies interested in demonstrating a commitment to education and the environment can participate free of charge in the FundingFactory Business Support Program. FundingFactory will send each supporting business FREE prepaid shipping labels for the return of collected cartridges and cell phones. By donating to Forte, businesses help them earn the instruments and services they need for the 2011 season and beyond.

Community and business supporters can also drop off cartridges and cell phones by making an appointment at the Corps Office in Grand Prairie, TX. (Additionally, Forte is looking for business partners to increase our donation locations)
